Tina Marie Munoz

July 31, 1962 - August 24, 2018

On Friday August 24th 2018 at around 6:50 PM Heaven gained a True Angel! My Mother was the most Loving, Caring, Strong, Charismatic, Tough, Hard Working, Fightingest, Funniest, Special person this world
could ever have known! Anyone who has had the Amazing opportunity of meeting her or being around her for any period of time knows that she was someone who was going to speak her mind & do things how she wanted to do them! She was gonna do anything she could to help anyone she could! She was always the Cool Mom, the 2nd mom to so many, the scorekeeper, the Biggest fan, the most dependable, most reliable, open armed, open hearted, best hugging person ever! She was a FIGHTER! Till the end there was not an ounce of quit in her! To have gone through all the obstacles that she had to go through in her life and Fight so hard for every thing, every day was an Amazing thing! I know life throws curve balls at people everyday! But My mom was the person that took everyone of those curve balls and smashed them! She is no longer here with us physically, but she will always be with us in our Hearts & in our memories! No longer in pain, looking down on us from Heaven! I want to Thank everyone for all the thoughts, prayers, & support through everything! Mom We Miss U Already!! WE LOVE U ALWAYS!

We Will be having A Celebration Of Life For My Mom following The Viewing on Saturday September 1st! It will go from 3pm-6pm at Carlinos Event Center at Rolling Hills Casino (My Moms Favorite Place To Go😬)! We will have

appetizer type foods & there will be a bar available to purchase drinks for our room! Children are more then welcome to come & help Celebrate with us also! Anyone who would be interested in donating to help with the cost of the Celebration, the Gesture would be Greatly Appreciated! We hope that U can make it!

Thank U Again To Everyone For All The Love & Support!

Tina and I worked at taco bell in corning. She had a lot of spunk and said things how it was. Take it or leave it. She had a great personality and what she treasured more than anything was fishing with her daddy and her boys. The apples of her eye. I will miss our talks qhen you delivered my mail but greatful to know you no longer suffer. You have left behind to very independent boys.

I worked with Tina...She was always happy...at that time she was very much in love with her husband. Ed.
She was heart broken when it fell apart but remained positive..she was a very proud mama. Always talking about her kids.
I will miss your laugh and smile Tina...
