“ John and his family had been special neighbors for many years. Always enjoyed our visits with your family. I am sure Al and Jeannie you remember the many hours I spent babysitting for your family. My thoughts and prayers are with you and your families. Much love to you.

“ I have known John and his family for many years, having Al at our house and both our mothers names were Phyllis. John was a very special person with more knowledge about the Flournoy area than anyone. He was a charming and loving man and I will miss him. Praying for both Al, Ronda and Jeanie, your in my heart. Blessing to you and your families.

“ John told me one day that worked on the ranch for my grandfather (Chet) . At that time they pulled the grain harvester with mules . He said " john boy the hard part was not picking up 100 lb. Sacks of grain all day it was taking care of the dam mules "
