“ Karol, My second mom. Thank you Karol for accepting each little neighborhood rug rat that your kids brought home ..including me. Growing up near the Arriagas was a special thing beacuse it came with Karol's wisdom. You spoke to us like we were adults and forced us to act responsibly every day. You provided wisdom in each conversation that we had. I learned so much from you and will always cherish those moments. You can stop vacuuming everyday now.

My thoughts are with you during your period of grief.

Love,

Steven A. Mendoza
