

Andrew Herbert Dalson

December 23, 1940 - February 20, 2023

I give you this one thought to keep.
I am with you still. I do not sleep.

I am a thousand winds that blow.
I am the diamond glints on the snow.

I am the sunlight on ripened grain.
I am the gentle autumn rain.

When you awaken in the morning's hush,
I am the swift, uplifting rush

Of quiet birds in circled flight.
I am the soft stars that shine at night.

Do not think of me as gone.
I am with you still in each new dawn.

May the stars carry your sadness away, May the flowers fill your heart with
beauty, May hope forever wipe away your tears, And, above all, may silence

make you strong.
