“ Our son, Logan, spent four years under the tutelage of Coach Luis while he wrestled for Corning PAL. During this time, Logan's exposure to 'big, high school wrestlers' was through Andrew. Logan looked up to him immensely. Andrew was there when Logan went to the state tournament for the first time, was there when he won his first bear at State, and was a constant smiling face mat-side. We were all devastated to hear the news, especially because of how much we know this family does for others in the Corning community. Andrew was well liked by all who knew him. We pray the family finds peace in knowing what a profound impact he had on so many.

“ *He was like a brother to me and always taught me the right way to do things. He taught me that it's okay to love yourself and to be who u r. He was the one person I always relied on if I needed someone. I love you so much and thank you for being the brother I never had. Always in my heart*❤️
