

## Betty Jean

November 21, 1930 - February 18, 2024

May she rest in peace. Such a sweet smile. Condolences to her family and friends.

Betty Jean "Jeannie" Tedrick

Betty Jean "Jeannie" Tedrick passed away on February 18, 2024, at the age of 93. She was born in Medford Oregon on November 21, 1930. She graduated from Red Bluff High School in 1948. She enjoyed going to the concerts at the State Theater as it held a special memory of her high school graduation ceremony being held there.

Jeannie and her husband traveled the western United States about six months a year, hiking and fishing. The other six months of the year they lived in Los Molinos helping her family run Blackmore's Department Store. She was an avid reader, had many interests, and was well-versed in many worldly topics and current events. She had a unique sense of humor and shared it easily with others.

When they got older they moved to Red Bluff, some will remember seeing them walking around town holding hands every day. They continued to be active, traveling on bus trips regularly.

Jeannie was preceded in death by her husband Elwood Tedrick, sister Cathy Blackmore, and parents Ben and Martha Blackmore. She was grateful to everyone who supported and cared for her at Lassen House Senior Living Center over the last few years. If you would like to donate in her memory,

please do so to the Los Molinos Friends of the Library or the charity of your choice.
