

## Brenda Ann Martin

September 16, 1947 - April 18, 2016

Brenda Ann Martin died April 18, 2016. God ordered another Pit Bull to guard his gates, and he got it. Brenda was born September 16, 1947. Brenda was a very vivacious, loving person. To describe her personality, she was a nurturing person to all her loved ones. Brenda gave her heart to everyone that stated, "That's the Gods honest truth, if it was ever to be told". She loved music, and was an avid guitar player and singer. Her husband William was her savior. If a husband could render life as a spine, William was it. She was survived by her husband William, Sister Kathy, Brother Brian, brother-in-law Frank, sister-in-law Deborah, 18 nieces/nephews and numerous friends. God is resting her sweet soul now. She will truly be missed by all.
