“ Carl was one of my 2 best friends growing up. We spent our high school years together, as our friendship grew for each other. We lost contact for some time, but got back together about 7-8 years ago. To where our friendship grew even closer, after finding out that we both us had found Jesus Christ in our Lives. I look forward to seeing Carl in Heaven, we will can dance on the streets of Gold together. Miss You Brother until we meet again.
