“ She was my typing teacher in the 9th grade at Corning High. I really loved her and her class. This makes my heart sad.

“ I am very saddened to hear of Ms. Ever's passing. She was one of my favorite teachers in high school. She became a friend over the last 20 years. I enjoyed running into her at Rancho Grande after church or Safeway and catching up. She was a caring and genuine person. I know she is now in perfect rest with her Savior. Praying for her family and friends- Mason White

“ *Cathie was a much-loved, cherished member of our extended family!❤️
I remember my mother, widowed, and on her own for the first time at the age of 78, sharing how Cathie would come and visit her, with her little dog in tow.
Cathie will be missed at family gatherings.. she holds a special place in the heart of all Culp.
You are in our prayers, Cindy, John, Richard, Bill and Families.
Much love,
Sandy Culp Coopriider*

“ *What a great lady. I was one of the many CUHS students that had Miss Evers as a teacher. She taught me to type and how to use many types of office machines. I really enjoyed her classes. I often would see her around town and she always had a smile on her face as we greeted each other. Corning will surely miss her. RIP Cathy*
