“ Charles LaFlamme was my best friend & Brother. We both worked at Von's Market in San Pedro, CA, in the sixties. We went to college together, and we were roommates until he was drafted to serve in the army. After serving, he returned to college and earned his degree in business. He became an Appraiser in the real estate field and just retired in May of 2025. His true passion was his kids, as well as his horses. He will always be in our hearts forever. May he rest in peace, Patrick Hall.
