

Columbus "Dick" King

September 15, 1943 - January 3, 2017

The King family would like to invite all to celebrate the life of Columbus 'Dick' King, who passed January 3rd at his home in Richfield, California. Dick lived a full and joyful 73 years. He is survived by his wife, Gail, whom he loved deeply through 54 years of marriage, as well as their six sons, nine grandchildren, one great-grandson, and hundreds of friends from all over. His family remembers him as a vibrant, quick-witted, kind-hearted, and hospitable man who worked hard and laughed harder. Many knew him as the owner and operator of Corning Auto Center until his retirement in 2011, or as a devoted and joyful elder in the Church of God, a Worldwide Association. He was also known locally as a talented musician of all string instruments. All are welcome to come honor his memory at the graveside service January 16th at 1:00 pm at the Corning Cemetery, followed by a Celebration of Life at the Veteran's Memorial Hall.
