

Eddie Badial

March 4, 1940 - April 22, 2024

Eddie went to his forever home on April 22, 2024. Eddie was born in Coachella, California to Ruth Soto and Francisco Badial. He was one of five children.

Eddie met his wife, Sherry, early in 1958 and later married on November 8, 1958. Their love and devotion for each other spanned almost sixty-six years. In those years together they created their family to include four children, Steven, Nina, Lisa, and Kimberly. His kids were his greatest joy. Eddie was a great provider and a hard worker for his family as a truck driver. One of his many accomplishments was owning his trucking company, Pacific West Transport.

Eddie had the biggest heart and was always willing to help anyone in need. His sense of humor and quick wit could make anyone laugh. He enjoyed the outdoors which included working in his yard or sitting in the sunshine.

His pride and joy was his family; his loving wife, children, nine grandchildren, and ten great-grandchildren. There is nothing he wouldn't do for them. His children loved him with all their hearts, mucho grande as he would say.

He will be immensely missed and thought of by many with happy memories.

Until we see you again, Double Nickel 💖
