“ Eddie was one of my most favorite customers at the red bluff Walmart. he was a bit rough when we first met in July of 2017, but as we got to know each other better; he definitely warmed up in his own style. my fondest memory is during our make-a-wish fundraiser he adamantly told me he wasn't going to give me 1 red penny! then he kinda mumbled something and handed me a \$5 bill. both myself and my co-worker Dawn send our condolences...
