“ I remember all of us calling her mom...she would always listen if you needed an ear. She was a special kind of woman💜  
I will miss her very much...

“ The Wilfong Family would like to offer their condolences to Elva's family. Elva, thank you for all the times that you set my path straight after high school. You were such an influential person in my life. You have "completed well," now it is your time to rest and know that God will be waiting for you with open arms. Thank you for always caring for me and my daughter. I will always remember your laughter, and the way you always cared for your own parents I will remember your strength and tenacity as a single mother and I will miss you on my way to excercise class.. always waving to me while watering your moms roses.

John 14:2- " In My Father's House are many rooms. if it were not so, would I have told you that I go to prepare a place for you?"

Lots of love

“ *My deepest condolences to Eva's family. My husband Ron White had the privilege of working with her for many years at Safeway. She always had a smile on her face and, a kind word for everyone. Regretfully we will not be able to attend her service but we send our love and prayers to her devoted family.*
