“ *Tia Lencha always had a special place in our hearts. She was a remarkable woman that raised a wonderful family. I always loved visiting her when I came to Corning, and enjoyed helping her with odds and ends around the house. It was always a real pleasure to sit down with her and talk about her growing up in Mexico. Many times she would share thoughts and loving memories of her brother- Adan Guzman (my father), Tia Lencha was always ready to sit you down to relax and talk about family. But what better way to relax than to have her pour you a Margarita from her reserve - kept in her refrigerator for company. Now you and my father will reunite and be able to catch up on Espinosa/ Guzman family events. You will be greatly missed. Rest in Peace.*
