“ I love and miss you, bro, with all my heart. I sit alone and listen to music every night. Wishing you were here with me. Sometimes I feel you're sitting right next to me. Until we meet again my brother. Rest in peace.

“ I shared a hospital room with James and got to know him over a few days. He was in a lot of pain but still had a good spirit to him, making the best of the situation. Rest in peace James. I hope you are enjoying some better food than the hospital fare now.
