“ Jim was my next door neighbor through grade school and high school. He was a good friend, and he swam in our pool, and we played touch football down in the field together. He came to our 50th class reunion from San Ramon High in 2007 and our annual class picnics every September since then. He was always ready to help whenever we needed help. We enjoyed the video clip. He was just a really great guy. We will miss him. May God's comforting love, surround all of his family. Blessings Sally and Dave Gibson

“ I just learned of Uncle Jim's death last week and I'm deeply sorry. I didn't know Jim well however when I was around him he was always welcoming and kind and made me happy to be near him. I know you all much be shocked and saddened by the sudden loss of your husband and father. He was a great brother to Bob, great husband and father too! God bless all of you. Jim and every family member will be in my most heartfelt prayers. My love and deepest sympathy is yours. Kimberly Tillotson (once married to Bob's son, John Halter)
