“ I have known Janet since I was about 8 when Grandma Morstad starting watching my brother and myself. She and my mom Phyllis Bedillion became fast and longs friends. Bob and I enjoyed going to Sunsweet events that Janet and Richard were also attending and many long walks and talks. She will always be forever in my heart and I will truly miss her every day. Heaven has truly gained a angel for sure.

“ Janet was a great person and friend to my mom, Agnes Askey. She helped my mom to stay in her home as long as she did when she had cancer. She passed in 1975. When she couldn't stay in her home anymore she went to the hospital in Red Bluff where she stayed there 51 days before passing. Thank you Janet Darrow for all that you did for my mom.
