

Jayden Ross Oakes

March 14, 2008 - July 17, 2021

Jayden Ross Oakes

Jayden “Jaydo-Potatoe” was born in Red Bluff, Ca and raised in Corning, Ca. Jayden was born on March 14, 2008 and was freed from cancer on July 17, 2021 at 11:53 AM.

Jayden dearly loved his Mother (Amanda Cook), Father (Jeremy Oakes), Brother (Jordyn Oakes), Sister (Jocelyn Oakes), Grandma (Jayne Vinson) and Grandma (Becky Oakes). Jayden also loved hunting, wrestling, baseball, football, and watching the San Francisco 49ers.

Jayden’s quote is “If your kids don’t feel good, please listen”.

Jayden joined his Grandpa Larry Vinson in Heaven.

Funeral Services at High Point Assembly will be streamed live on High Point Assembly YouTube and Facebook page for those who are unable to attend in person.

The Vinson and Oakes Family would like to thank each and everyone of you for all the love and support during this most difficult time in their lives.

Your gentle face and patient smile.
With sadness we recall
you had a kindly word for each
and passed beloved by all.
The voice is mute and stilled
the heart that loved us well and true.
Ah, bitter was the trial to part
from one so good as you.
You are not forgotten loved one
nor will you ever be as long as life
and memory last we will remember you.
We miss you now, our hearts are sore,
as time goes by we miss you more,
your loving smile, your gentle face
no one can fill your vacant place.
We Love you Jayden Always and Forever

“ *Jayden will forever be on my heart. His beautiful smile and sense of humor were infectious. We loved meeting him in Chapel Hill and spending time at this bedside with lots of laughs and jokes. The search for the perfect hedgehog that ended up being a bunny...Jayne is one of the strongest caregivers I know. You both fought the good fight. We hope you found some comfort in the love and support from so many who had the privilege to know you. Rest in Peace sweet boy. We love you.*

“ Through Judy Modlin, in Southern Maryland, so many of us in the greater Washington, D. C. area--including Maryland and Virginia--and beyond, in other states and localities --on prayer lines--were honored to be able to pray for Jayden and his family...we followed the "journey of Jayden," always amazed by his "warrior spirit" and absolutely dazzling smile...may perpetual light shine upon him, now in the Presence of the Light of the World, and may comfort be given to all in his family and to their many friends--including those in wider "Circle of Life"--because Jayden's life and valor touched us all, so positively and mightily...

“ I worked with Jaydens mom Amanda for several years. When I was out of wood one winter, a couple years back, Jayden and Amanda brought me some wood to burn. Jayden unloaded the wood out of the back of the truck and as I was talking to Amanda, I handed Jayden a couple 20's for helping me out. His smile was so contagious. Very sweet loveable boy who loved life. I will never forget his beautiful smile and his generous heart. Nor the love Jayden and his Mom had for each other.

“ We knew Jayden for a short period of time. He came to visit us to use our hot tub in hopes that it would ease some of his pain in his body. We got to know him during this time and we fell in love with him. That's the kind of boy he was, that smile is unforgettable, his personality is like no other. He is loving, he is friendly and he touched our hearts in such a short period of time. We know he's in a better place and we hope to know him again when it's our time. Condolences to all his beautiful family who we have also come to know recently and fallen in love with. Lisa and Robert Cruz
