

## Jean R. Banwarth

April 1, 1924 - December 20, 2016

Jean Banwarth, age 92, was surrounded by family when she went home to be with the Lord on December 20, 2016. She was born in Nora, Illinois on April 1, 1924 to Ira and Estella Logemann.

Jean is survived by sons Norman (Cheryl), Robert (Carol), Ron (Karen), Nolan (Patty), Randy, and daughters, Patricia (Dave) Temoin, Peggy (Dave) Tague, 22 grandchildren, 26 great-grandchildren and 10 great-great grandchildren, her brother Eldon (Sparky) Logemann, and numerous nieces and nephews.

What a blessing to have this beautiful woman in our lives - our mother, our grandmother, our aunt, our friend, our loved one. She was always present in her children and grandchildren's lives. She will be truly missed but always remembered as a loving, caring, and giving woman.

She enjoyed being with family, dancing, playing cards, gardening, and baking her famous cinnamon rolls.

Jean has many loved ones eagerly awaiting her in heaven: all of her siblings

but one,  
her parents, her loving husband Vernon of 65 years, and many lifelong  
friends. A heavenly  
reunion awaits her full of love, many cherished memories, and everlasting  
peace.

Graveside services will be held Wednesday, December 28th at 1:30pm at St.  
Mary's  
Cemetery in Red Bluff, California

“ My Grandma was very, very special to me. I have so many wonderful memories of my Grandma. She would always give my brothers and I money to walk to the corner drugstore to buy whatever candy we wanted. I loved going to Grandma and Grandpa's house. They had the best raspberries growing in their back yard. Her house was full of love and sweets. :) Grandma would always eat the crust off my toast and anything else that I didn't want to eat. She made me feel special and very loved. As I got older my Grandma became one of my treasured friends. Chris and I went to visit Grandma and Grandpa and she made her peach cobbler. Chris told me that was the best peach cobbler he has ever had and I am honored to make my Grandmas peach cobbler now. I will miss my Grandma so very much. She was truly the best and oh how I loved her.

“ I remember as a child going to Jean and Vernon's farm and the parents playing cards while the kids explored the farm. Then those wonderful cinnamon rolls. Aunt Jean gave me the recipe when I got older but when I made them, they weren't even close to hers. A sweet lady who raised such nice children.

“ I have so many fond memories of the summers at the family farm in Illinois. Aunt Jean was always so patient with us Goards. Since we doubled her household when we arrived it seemed like she spent most of her time in the kitchen preparing the 3 meals each day for all 20+ of us. Of course, we were expected to help work the farm when we were there and I remember feeding the chickens -- reluctantly. My favorite memory is the many times I asked if I could ride Queenie. I was never told no -- always yes, if you can catch her, you can ride her. Of course, I never could, but had fun trying. So, Aunt Jean, thanks for those wonderful childhood memories and give my mom, your twin sister, a big hug for me and tell her I still miss her as I know your family misses you.
