

Katlyn Marie Mitchell

December 22, 1991 - December 9, 2017

Katlyn Marie Mitchell, 25, of Corning was tragically taken from us in a car accident on December 9, 2017. Katie was born on December 22, 1991, in Paradise, CA, to Ryan and Mary Mitchell.

She grew up in Corning, CA and attended West Street, Olive View and Richfield Elementary. She continued on to Corning Union High School and graduated from Red Bluff High School. After high school Katie attended the Institute of Technology and became a certified medical assistant. Her dream was to become a neonatal nurse.

Katie enjoyed doing anything she could outdoors. She loved hunting, fishing, riding quads and many sports. She loved going to the beach with family and friends every chance she could. What Katie loved most was her two beautiful daughters, Kally and Jocelyn. Katie loved her babies more than anything and they will forever miss their mommy.

Katie is survived by her daughters, Kally and Joceclyn; parents, Ryan and Mary Mitchell; siblings, Karissa Mitchell (Jeff); and Reilly Mitchell and her nephew Emmett; paternal grandparents, Bud and June Mitchell; along with many aunts, uncles and cousins that she loved so very much. She is also survived by her boyfriend Matt; and many friends and coworkers who truly loved her as she did them.

She is preceded in death by her maternal grandparents, David and Joyce Hanson.

A celebration of Katie's life will be held at First Baptist Church, located at 506

Colusa St., Corning, CA, on Saturday, December 16, 2017, at 11:00am. All are welcome to a luncheon directly following the service.

In lieu of flowers, donations can be made at Banner Bank for Katie's daughters under the name of Ryon and Mary Mitchell or they may be mailed or left with Hall Brothers Corning Mortuary. Family has requested that anyone who would like to share a special memory you made with Katlyn, please write it down and bring to memorial. “ I'll never forget you buggaboo. Most of our memories will have to stay between us and that's totally okay with me. We always joked about how we never took photos together and now I'm regretting it. We were together so often that we should have had more photos, but most of my photos are with Kally. ❤️ I'm so not ready for tomorrow, I'm not ready to say goodbye. I miss you so much. Thank you for blessing me with having you in my life especially as one of my best friends.. I will forever cherish our memories and I wish I could go back in time just to hug you and tell you I love you.

“*Many years ago, Katy and her siblings had a lemonade stand in front of your house on Houghton. I drove by and saw her adorable smile, and had to stop. I think they wanted 25 cents a cup. I gave them \$2 and told them to keep the change. Oh man, she was so grateful! So adorable. To this day, every lemonade stand I see reminds me of that sweet moment all those years ago.*”
