

## Kenneth George Davis

January 2, 1943 - August 12, 2022

My beloved brother, Kenneth George Davis, a long-time resident of Corning, passed away on August 12th at a care home in Oroville, California. He was 79. His only sister was at his bedside. He is survived by his sister Connie Cassano who resides in Yoncalla, Oregon. One nephew Terry Hunt who resides in Corning. One cousin Renee Herdt who resides in Caldwell, Idaho. A special adopted niece Denise Glover. He was preceded in death by his much-loved cousin Randy Davis. Ken had a very hard life but was never bitter. His best friends were his dogs. He would often be seen on a bike or motorcycle and his dog would be with him. If you saw a dog with a money bag in his mouth you could be sure Ken was on his way to the bank. I can't remember a time my brother did not have a dog by his side. He taught me to ride a bike and as a little girl, he led me home when I was lost. He worked many jobs to make ends meet. He would pick up cans and bottles to supplement his income. No job was beneath him and he always kept his dignity. He never tried to use the system or beg for money. My brother is a survivor and taught me so much in the last years of his life. I am so proud of my big brother. My brother was an honest man. And he will always be in my heart. He will be laid to rest in Oregon at a future date. RIP Big Bro your sister has your back and knows the truth.
