Hi Janna, I am the fiance of Leslie's son John. I was looking online to try to find any photos of Leslie, because John doesn't have any and I found this post. I'm so sorry we were not able to reach out to you earlier but I was wondering if by some miracle you might have any photos of Leslie? Please contact me at [Barbarapozek@gmail.com](mailto:Barbarapozek@gmail.com) if you want to talk more!

“ Leslie McCormick Brooks was the best friend I ever had. Our times together were so fun. She was one of a kind! We spent the good old days together, ( the 70s and 80s) We attended Jr. HIGH and Davis High. If anyone knows any details of her passing please contact me. I loved her so much. Janna Scutt Ham
