“ Dear Dexter & Rebecca and Cameron, I have such fond memories of Aunt Lorena and Uncle Harold when they came to AR to visit. They were so much fun, laughing and happy!

The last time your Dad came I could tell he was having a harder time with dementia, and your Mom was struggling too taking care of him. I know she must have had a terrible time battling with her health, but she was one hell of a woman to fight it for as long as she did! I pray God has a special crown for her in heaven, I think she has earned it. I love you all. Elaine Harris Kyle
