“ I was very sorry to learn that my Aunt has passed. I will miss her a great deal. I have a recording of her singing me happy birthday on my voice mail in 2022. I will treasure it always. She made a lemon meringue pie at holidays and told me it was made just for us because it was our favorite, a special childhood memory for me. She always wrote a special note in every card to say hello to my husband. May God keep you now. I wish more people today were as kind and loving as my Aunt Renee.
