“ I truly love Rosie. She has been my friend for 20 years ❤️ I miss her smile and laugh, it always made me smile.. I talked with her that day. I cry thinking if I would've just had 2 more minutes talking with her she would still be with us.. Her and I would talk about everything a few times a week.. I miss that so much. We told are secrets to each other. She was amazing to talk to. It's still unbelievable to me that my friend is no longer able to be here with us... I will always have her in my thoughts and prayers... She loved her family and friends. I miss you Rosie I will forever be changed by this.... Rosie is loved and missed by a lot of people.. She was super sweet to everyone.... I miss you my friend 😭💔😞
