“ My heartfelt condolences go out to the family of Merrill Dean. Merrill was my cousin and I haven't seen him since the 60's. When he was in the Navy I remember him coming to visit us on our farm in Wellman, Texas. My Dad Tomas Smyth was his uncle. I remember one time he brought us some very beautiful shells he had gotten when he had scuba dived.

He was always cheerful, laughed a lot and always kind. I don't have but a few memories but the ones I do I will always remember. I'll always remember his voice and wearing his white navy uniform. May he rest in peace, I'm sure my Daddy was there to greet him in heaven.

God bless all of you.
