“ A Mother's Love

*God knew the world would need a gentle, loving touch,  
So He created a mother's love to warm our hearts so much.*

*God knew that our hearts would need a gentle kind of cheer,  
So He graced a mother's face with smiles that are so dear.*

*Of all the gifts that God does send from his heavenly home above,  
There is none that is more precious than that of a mother's love!*

*Remember, love never ends!*

“ My big sister, I remember growing up in the mid 1940's in Long Beach and one Sunday we all took a trip down to Tijuana. Dad wanted to go to a Bull Fight, so we all went. One of the matadores was gored and killed by the bull. My sister could tell I didn't like watching it so she put my head down in her lap and covered my eyes and ears so I didn't have to watch. Will miss you Sister Sam May 24, 2021

“ *Sweet sweet Mo....all I wanted to do was see you again... to share a laugh, and smile. Maybe to share an apron with you in your kitchen, and make a beautiful pie...you truly are the Marie Callendar of cooking 😊 Big hugs to you and paw. Lord, please have your Angels spread their mighty wings and comfort Cindy, Larissa, and the boys. They are truly going to need the strength I am certain. Thank you for everything you have taught me. You were gifted with a beautiful life. Much love, Mary Walsh*
