

## Monica Ann Skidmore

July 18, 1979 - November 18, 2016

The Cowgirl Rides Away  
We look up at night  
Because it's your light  
That shines upon the moon  
A beautiful life that ended too soon

So much of us  
Is so much of you  
You taught us to be strong  
Without you here feels so wrong

You have some big shoes to fill  
If only time could stand still  
When you were close  
When you were near  
Not having you here  
Is what we fear

Just come back to us  
Let us know you haven't left  
That your spirit will not leave  
Words come so hard in moments like these

Please visit us from time to time  
In our hearts and in our minds  
Monica Ann  
Loving you is a righteous plan

We'll celebrate your life  
We'll remember your laugh  
We'll see you in our memory  
Just like a photograph

I wish we didn't have to feel pain  
Losing you makes us go insane  
There has to be a reason  
We trust in God this season  
I'll get down on my knees  
And pray that we find ease

“ *Monica my babygirl was never afraid, but yes she feared... And if you all knew her, you would know she was never afraid to throw your dirty laundry out there if you started in on her... I love you Monica, I miss your life and you... you were definitely interesting and full of love and protection for your family and friends.*
