“ *Butch; strong, outspoken, avid reader, history buff and always had a story to tell. A proud Veteran who served his country and was all about America and what it stood for. A cattleman, he told me that his cows were his life. He was a FORD man all the way and I remember that when NASCAR brought in Toyota Racing, he stopped watching it saying racing had gone to HELL. I would have liked to have heard his opinion regarding Dodge/RAM coming back to racing in 2026. He was my brother-in-law! RIP old man.*
