

Patricia Carol Chittenden

November 5, 1946 - July 10, 2024

It is with deep sorrow that we announce the death of Patricia Carol Chittenden of Corning, California, who passed away on July 10, 2024, at the age of 77, leaving to mourn family and friends. Leave a sympathy message to the family in the guestbook on this memorial page of Patricia Carol Chittenden to show support.

Patricia's talent for making things & her careful craftsmanship. She made a lot of Don's clothes at one time, spun wool into yarn and knitted amazing sweaters & caps. The stained glass jewelry boxes that she & Don made were masterpieces. Patricia had two parakeets, two cockatiels and a cockatoo. Followed by dogs & a horse. Two cats I think. She really loved dogs. The uglier they were, the more she adored them. They kept bees for honey too for a while. She had an inexplicable love for horses all her life, along with an inexorable fear of spiders and hatred of democrats.

In the echoes of fond remembrance, may a sense of peace be found, knowing that the memories held dear will continue to shape and inspire her loved ones, keeping Patricia and Donald's spirit alive in the hearts and actions of family and friends alike. While their presence may be gone, their impact lives on in the kindness shown to others and the joy found in the ordinary moments of life.

A Celebration of Life will be planned later.
