Footprints in the Sand

One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
One belonging to me and one to my Lord.

After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.

This really troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and most troublesome times of my life,
there was only one set of footprints.
I don't understand why, when I needed You the most, You would leave me."

He whispered, "My precious child, I love you and will never leave you

Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."

A reception after Saturday Funeral Service will be held at the VFW Memorial Hall.

In lieu of flowers and cards we are asking if you could please make a small donation in Paula's Name to Boy Scout Troop 62 of which she has been a Member of for the last 4 years.

“ *In the few short years that I have know Paula I saw a bright light shining from in her love of her family. She was a lot like me in her caring ways towards her grandchildren. She also loved Boy Scouts and what they represent as I not do. What a great lady who will be terribly missed by all. God Bless her family from The Estes family and Corning Pack 5.*

“ *I just want to wish the entire Beck Family my deepest sympathy on the passing of Paula. She was always my idol of the cool Mom that I wished I could emulate. I know that she will be missed by all....but you have your own personal angel watching down.*
