“ What can I say? where do I start? I'm at a loss for words 😞 You were so funny, so fearless and the life of the party(s). You were such a beautiful soul. Though I moved away and life happened, I thought of you quite often over the last 40 years. You and all of the old gang. I wish I'd been able to say hello just one last time. This is just our temporary home, so I will not say good-bye.
