“ Rick was a great friend to anyone who knew him. I have so many great memories of good times together -- most centered around sports and music -- but the thing I'll remember the most is how much he cared about his family and friends.

I have many great memories of Rick. We played hundreds of basketball and softball games together over the years. It was an honor to be his good friend and teammate over the last 45 years. We enjoyed so many meals out together, and he will be terribly missed. Rest in peace my friend.
