“ *I could always count on a huge smile everytime I saw you not to mention a bear hug. My heart literally has a hole in it, but it will mend over time because you you are now an angel looking over us all. Till we meet again, and I know we will. Mandy and the kids will always know they are loved and never alone.*

“ *I knew Rico years ago when I worked for Hart Farms and when he started hauling almonds with Doug for them. He was always such a nice person with a great personality and humor. It really saddens me that he has past away.A great loss to his family and all the people who knew him. Sending my condolences. Mo*
