December 28, 1985 - February 24, 2023

God has called you home it's time to get your wings, you leave this life behind you and I hear the Angel's sing. Even though I think of you, It always makes me smile, I only wish I could bring you back for a short while. So be free with the Angel's as they sing so peacefully, please be sure to tell them to watch over me. So wait for me in heaven and don't let me proceed alone, you'll be there to welcome me home.
