“ I loved this kid. He was one of my Sons best friends. He would come out to the house, come in the back door, stop at the fridge for a candy bar on his way to Dels room. Then when I was divorcing Frank, Ryan wrote me the sweetest letter. Said I would always be like a Mom to him. I know he had a lot of trouble in his young life, but he is at peace now. He will always have a piece of my heart. I love you Ryan.

Sincerely,
Caryl Brasier-Hester
