## I'll Be There

Author Unknown

There was no time to say goodbye  
But this I ask – please do not cry  
Remember me as you think best  
The happy time – forget the rest.

Look for me and I'll be there  
And you will find me everywhere  
In the gentle touch of breeze  
That cools the skin or swirls the leaves.

In the scent and colour of flowers  
That gave to me such happy hours  
On sunny days under sunny skies of blue  
Just think of me, I'll be with you.

In winter when there's cloud or mist  
The rain will give to you my kiss  
As wood smoke lingers in the air  
Look for me and I'll be there.

Where seagulls cry above the sea  
And surf rolls in so endlessly  
Among towering trees that soar above  
In all these things that I once loved  
Look for me and I'll be there  
You'll feel my presence everywhere.
