“ I knew Scott for many years. He was one of my favorite people. I am very sad to hear he's passed away. He was funny, witty and kindhearted. He didn't have much to give material wise, but he definitely made my day brighter every time I saw him.

“ I miss my little brother. Alcoholism is a disease and can be arrested.and recovery is then possible. My brother was a loving and compassionate soul but lived a life of alcohol abuse. His passing is still devastating to me and my Mother.
