“ *Stoney has been in my thoughts often, here lately. He was my nephew. We were almost the same age. We spent time together as children, growing up together until his family moved to California when he was still young. Like myself, his grandmother Naomi Cash loved him dearly, and missed him when he moved so far away. I have wonderful memories of childhood of Stoney. God bless his memory, and I will continue to pray for his children, his mother, and all of his family.*
