“ We were part of the Pluton Street friends that grew up with Bill . Larry DeZonia and I Janet Ringle DeZonia lived across the street. We have enjoyed seeing your parents through the years. We just saw your Dad last March when we were at RV park in Corning. He had just been diagnosed a bit before. We loved your DAD ❤️ - such a kind, loving, friend. RIP Bill. 🙏🙏. We are very sad we can't attend memorial. We have been traveling in our RV since January and won't be home until April, otherwise we would have definitely been there. Our deepest condolences.
